FDA and NSF declaration of conformity

Dear customer,

we hereby declare that our level sensors

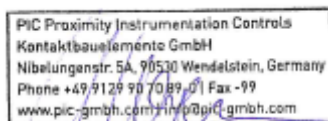

PLS-020A/B-3PPI
PLS-031A/B-3PPI/6PPI
PLS-041A/B-3PPI/6PPI
PLS-051A/B-3PPI/6PPI and
PLS-092A-3PPH/6PPH

Have successfully passed tests of an accredited laboratory regarding FDA-suitability against norms CFR 177.2600 and CFR 177.1520.

Furthermore, the above level sensor series PLS-031 and PLS-041 made of PP-material have been listed under NSF-certification number C0462455 – 169 as suitable for use in water, coffee and tea.

Our factory has been audited for this purpose and is certified under C0462456.

Freundliche Grüße / Best regards,

Ulrike Wagner
